# CHK SEALING TECHNOLOGY CO., LTD.

## Company Profile

CHK SEALING TECHNOLOGY CO., LTD. is a professional manufacturer of valve stem seals and various oil seals and rubber parts for automobiles based in Taiwan, with more than 20 years of experience. Its products are widely applicable to various vehicles, motorcycles, buses, trucks, etc. The company is committed to providing high-quality, reasonable, and fast products and services, and can develop new products based on customer samples. The company's business philosophy is to aim for innovation, research and development, and customer satisfaction, and to aspire to become the OEM supplier designated by major manufacturers in the world, allowing its oil seal products to be sold all over the world.
